

# Lincoln County Leader.

Volume VIII.

Toledo, Lincoln County, Oregon, Friday, January 18, 1901.

Number 46.

## LOCAL IN BRIEF.

Agent Buford returned Monday evening from Albany accompanied by Special Agent D.W. Manchester of Cleveland, Ohio. The gentlemen proceeded to the Agency Tuesday afternoon. Mr. Manchester's mission is to pay the Indians the balance due on treaty, an act secured through the efforts of Congressman Tongue last May, the report of which, it will be remembered, was branded as a fake by a few citizens of the county. As the work of preparing the payroll is no light task, several days must elapse before the Indians of the Siletz agency are made more or less happy. Being a Buckeye, Agent Manchester is necessarily a competent official and a perfect gentleman. He may yet decide to transfer his headquarters to Toledo.

Toledo Woodmen and invited friends will be entertained next Monday evening by Neighbor C.E. Campbell with a lecture, graphophone entertainment, etc., all pertaining to Woodcraft. Neighbor Campbell comes highly recommended, and Woodmen are assured of a rare treat in that line of entertainment. On the evening of February 21 Prof. John P. Meakin, Head Camp lecturer of the Woodmen of the World, will give a free public lecture in Toledo, which will undoubtedly result in much good to the order. Remember the dates.

Mr. C. B. Crosno returned yesterday evening from a visit among old friends at the state capital. His daughter, Miss Effie, accompanied him to Salem and will remain until the legislature adjourns, having been appointed as one of the senate stenographers. It is a proper recognition of the young lady's ability and energy, and her many friends extend hearty congratulations.

Edward Casey and family are moving into the building recently vacated by the Flitcrofts. Mr. Casey has been contemplating a change of location, but decides to try Toledo awhile longer. It is to be hoped he will meet with substantial encouragement.

Ira Wade is at the state capital this week. We understand he has a fair prospect of capturing a lucrative position during the session of the legislature. Here's to his success.

George Landreth now occupies the George Myers property, vacated by Edward Casey, and the house vacated by Mr. Landreth will be occupied by Frank Mohlfeld.

The Rev. Isaac Dawson, who has accepted a call to St. Pauls church, Benicia, Cal., will conduct his last services in Toledo next Sunday, the 20th, at 11 a. m. and 7:30 p. m. A cordial invitation is extended to all.

The Ladies aid society will meet next Tuesday afternoon with Mrs. J. L. Hyde instead of with Mrs. G. A. Landreth, as previously announced. The members are requested to bring carpet bags, as the session will be devoted to that work.

Dr. D. Gibbons and family, recently from Great Bend, Kan., have located in Toledo and are most welcome additions to our population. Dr. Gibbons is a skillful dentist and should be appreciated. Remember him when in need of dental work.

The remains of Mrs. Harriet Helm were laid to rest in Toledo cemetery Tuesday. Deceased had been a county charge for about two years, under the care of Miss Helen Pygall at Yaquina, who came to Toledo to make arrangements for the burial. The sad duty was performed by County Judge Stewart, assisted by Rev. C. M. Brown and other big-hearted citizens.
